

Company statement - Coronavirus

Coventry Scaffolding acknowledges that employers have a vital role to play by taking sensible action to prevent the spread of COVID-19. We continue to monitor the situation very carefully. Our customers, partners and employee's health and safety remain our absolute priority and as such, our actions are guided by the latest advice from the World Health Organisation (WHO), Public Health England and the UK government.

In accordance with government advice, we are following the **Working safely during COVID-19 in construction** guidance and the industry's **Site Operating Procedures (SOP)** published by the Construction Leadership Council. These align with the latest guidance from the government and Public Health England and will be updated to reflect any changes as the situation progresses.

We are regularly updating employees on the situation and on necessary precautions to take based upon expert advice. If any of our employees are feeling unwell, we ask that they contact their line manager.
